

AUGUST 7, 2018 - SPECIAL EVENT

For more than 35 years, The Bakers Club of Chicago has sponsored a variety of Special Events for the benefit of underprivileged and disabled children from the Chicago area. Past events included mini-carnivals, trips to the zoo, bowling parties, Great America, horseback riding and baseball games, as well as, The Enchanted Castle. Past recipients have included Mercy Home for Boys & Girls, Little City, Maryville Academy, St. Joseph's Home, The Dickens Shelter, Hull House, Lydia's Children's Home and the Special Olympics.

THIS HAS ONLY BEEN POSSIBLE WITH HELP FROM OUR BCC MEMBERS!

This year we are excited to be hosting the children of OFF THE STREET CLUB from the Westside of Chicago, to visit Enchanted Castle in Lombard. The fun includes laser wars, mini-golf, pinball, go karts plus video games in an outstanding play area. Lunch consisting of pizza and soda will be served at the Castle to all who attend. We invite you to join us as a chaperone and donor to support the kids who spend their non-school time at OFF THE STREET CLUB learning that a bright future is possible.
